

The Benefits of Biased Systems

Prioritizing energy-efficient procurement

Andrew Weber

FEMP

Enable sustainable procurement by providing federal employees with the appropriate:

Roles, Rules and Tools

FEMP – the focus

Enable sustainable procurement by providing federal employees with the appropriate:

Roles, Rules and Tools

The systems matter.

Tools provide the context in which users make decisions based on roles and rules.

- We understand this in the 'real' world.

The Potential

	Low Compliance	Full Compliance	Best Available Tech & Full Compliance
\$Million	102	559	937
TBtu/Yr	5.2	29.0	46.7
Million tons CO ₂	0.69	3.7	6.3
