BEHAVIOR, ENERGY & CLIMATE CHANGE CONFERENCE

A conference focused on understanding the behavior and decision-making of individuals and organizations and using that knowledge to accelerate our transition to an energy-efficient and low-carbon future

convened by **Precourt Energy Efficiency Center** STANFORD UNIVERSITY | **ACEEE** American Council for an Energy-Efficient Economy | **BECI** BERKELEY ENERGY & CLIMATE INSTITUTE LBNL & UC BERKELEY

BECC 2016 | October 20 - October 22, 2016 | Baltimore, MD

Companies that will be represented at the conference:

ABA Global Initiatives LLC

Accelerated Innovations

ACEEE

Aclara Technology

Action Research

AESP

Alliance to Save Energy

Alta Planning + Design

Ameren IL

American Forest Foundation

Annie Suttle Communications

Applied Energy Group

APPRISE

ARPA-E

Arup

Azentive

Bahria University

Baltimore Office of Sustainablility

BC Hydro

BECI/UC Berkeley

Blue Planet Foundation

Booz Allen Hamilton

Brand Cool Marketing

Build It Green

C+C

Cadmus

California Institute for Energy and Environment

California State University

Capstone Community Action Weatherization

Carnegie Mellon University

Cascadia Consulting Group

CB&I Energy Management & Sustainability

Center for Climate Preparedness and Community Resilience

Center for Energy and Environment

Center for Sustainable Energy

Central Research Institute of Electric Power Industry

Chalmers University of Technology

Chung Yuan Christian University

City of Aspen

City of Bellevue

City of Charlottesville, Environmental Sustainability Division

City of Fort Collins

City of Knoxville

City of New York, Office of the Mayor

City of Orlando

City of Saratoga Springs, NY

Clean Energy Resource Teams

Clean Markets

Colorado State University

Columbia University

Consortium for Energy Efficiency

Convergence Data Analytics

Cool Choices

CORE

Corporation for Ohio Appalachian Development

CSRA

Current-C Energy Systems, Inc

DC Department of Energy & Environment

De Montfort University

Denver Housing Authority

Denver Office of Sustainability

DNV GL

DTE Energy

Duke Energy

E Source

Eastern Kentucky University

BEHAVIOR, ENERGY &
CLIMATE CHANGE CONFERENCE

A conference focused on understanding the behavior and decision-making of
individuals and organizations and using that knowledge to accelerate
our transition to an energy-efficient and low-carbon future

convened by   Precourt Energy Efficiency Center STANFORD UNIVERSITY   ACEEE: American Council for an Energy-Efficient Economy   BECI BERKELEY ENERGY & CLIMATE INSTITUTE LBNL & UC BERKELEY

BECC 2016 | October 20 - October 22, 2016 | Baltimore, MD

Companies that will be represented at the conference:

Eco'Diagnostic	Foundation Communities
Ecole Polytechnique	Franklin Energy/Consumers Energy
Ecotagious	Fraunhofer CSE
Ecova	Fraunhofer USA Center for Sustainable Energy
EEme	Frederick County Office of Sustainability & Environmental Resources
Efficiency Vermont	Fuel Freedom Foundation
Elevate Energy	Fuel Fund of Maryland
Embertec USA LLC	Generation180
EMI Consulting	Georgia Institute of Technology
Empower Efficiency, LLC	Great Plains Institute
Energry Trust of Oregon	Group14
Energy Efficiency and Conservation Authority	GSA
Energy Information Administration	GSA/PBS/Office of Design and Construction
Energy Institute at Haas	Hamilton College
Energy Outreach Colorado	Harvard University
Energy Solutions Professionals	Hilton Worldwide
Energy Training Solutions	ICF International
Energy Trust of Oregon	Illume Advising, LLC
EnergySavvy	Independent Electricity System Operator
Enervee	Indicia Consulting
Enterprise Community Partners	Industrial Technology Research Institute
Environmental Defense Fund	Innovologie
EPA Energy Star	Instream Energy Systems
Erb Institute, University of Michigan	IPC-ESAC, INESC Coimbra
ES2	ISEIF
ETH Zürich	Jan Enns Communications
Eversource - EnergizeCT	Jyukankyo Research Institute Inc.
Farr Associates Architecture and Urban Design, P.C.	Keliher Samets Volk
Federal Highway Administration	Kent State University
Fiveworx	Kim Lundgren Associates, Inc.
Foresight Design Initiative	Land Transport Authority
FortisBC	Lawrence Berkeley National Laboratory

BEHAVIOR, ENERGY & CLIMATE CHANGE CONFERENCE

A conference focused on understanding the behavior and decision-making of individuals and organizations and using that knowledge to accelerate our transition to an energy-efficient and low-carbon future

convened by   Precourt Energy Efficiency Center STANFORD UNIVERSITY   ACEEE American Council for an Energy-Efficient Economy   BECI BERKELEY ENERGY & CLIMATE INSTITUTE LBNL & UC BERKELEY

BECC 2016 | October 20 - October 22, 2016 | Baltimore, MD

Companies that will be represented at the conference:

LBJ School of Public Affairs/UT Austin	Portland State University
Leeds Beckett University	Power TakeOff
Lockheed Martin Co.	Precourt Energy Efficiency Center
Los Angeles Department of Water and Power	Presentation Testing
love energy consultants inc	Pulse Energy
Maryland Energy Administration	Queensland University of Technology
Maryland Port Administration	Questar Gas
Master Builders Association	Quinn Energy, LLC
Mazzetti	Renovate America - HERO Program
MC, Office of Energy & Sustainability	Rensselaer Polytechnic Institute
McKinstry	republicEn
Metabolic Consulting	Research Into Action, Inc.
Metro Vancouver	Rocky Mountain Institute
Michaels Energy	Russian University of Peoples' Friendship
Ministry of the Environment and Water Resources	Sacramento Municipal Utility District
Montgomery County Department of Environmental Protection	San Diego Gas and Electric
MTC	San Jose State University
NASA-ARC	Seattle City Light
National Energy Foundation	Seattle Housing Authority
National Grid	SEE Change Institute
National Renewable Energy Laboratory (NREL)	Servelect
Navigant	Seventhwave
NEEA	Shelton Group
NOAA	Skumatz Economic Research Associates
Northeast Energy Efficiency Partnerships	Snohomish County PUD
Oak Ridge National Laboratory	SoCalGas
Ontario Ministry of Environment and Climate Change	Southern California Edison
Opinion Dynamics	SRI International
Oracle	Stanford University
Pacific Gas and Electric Company	STG/NSWCCD
Penn State University	StopWaste
Pierce & Associates Co. dba Pierce Energy Planning	SunPower

BEHAVIOR, ENERGY & CLIMATE CHANGE CONFERENCE

A conference focused on understanding the behavior and decision-making of individuals and organizations and using that knowledge to accelerate our transition to an energy-efficient and low-carbon future

convened by Precourt Energy Efficiency Center STANFORD UNIVERSITY   ACEEE American Council for an Energy-Efficient Economy   BECI BERKELEY ENERGY & CLIMATE INSTITUTE LBNL & UC BERKELEY

BECC 2016 | October 20 - October 22, 2016 | Baltimore, MD

Companies that will be represented at the conference:

Swedish Agency for Economic and Regional Growth	University of Cambridge
Technical University of Cluj-Napoca	University of central Lancashire
Tendril	University of Chile
Tennessee Valley Authority	University of Coimbra
Tetra Tech	University of Colorado Boulder
The Energy Coalition	University of Connecticut
THE JAPAN GAS ASSOCIATION	University of Florida
The Nature Conservancy, NH	University of Illinois Building Research Council
The Social Design Group	University of Kansas
The University of Kitakyushu	University of Maine
The University of Tokyo	University of Minnesota
Tokyo Gas Co., Ltd.	University of Rhode Island
TRC Energy Services	University of Texas LBJ School of Public Affairs
U.S. Department of Energy	University of Vermont
U.S. Department of Energy, Solar Energy Technologies Office	University of Waterloo
U.S. Department of Energy, SunShot	University of Wisconsin-Madison
U.S. Department of Veterans Affairs/OAEM 044	US Energy Information Administration
U.S. Dept of Commerce - NOAA	Vermont Energy Investment Corporation
U.S. Environmental Protection Agency	VT Public Service Dept.
UC Berkeley	Warren Energy Engineering
UC Davis	West Hill Energy & Computing Inc
UC Davis Western Cooling Efficiency Center	White House Office of Science & Technology Policy
United Illuminating	Whole Foods Market
Univ Colorado/dakota ridge partners	World Bank
University of British Columbia	World Resources Institute
University of California, Davis	Zurich University of Applied Sciences
University of California, Santa Barbara
