

# Educate

People are curious.

We tell them how  
they can make  
a difference.

# Entertain

ROBIN AND LUCO

BY BRIAN BEAR

We want efficiency to be fun.

## Set and Forget

**Thermostat Challenge  
JULY 14-20**

**Set it.**  
Program your thermostat with heating and cooling setpoints according to your weekly schedule.

**Post it.**  
Enter to win \$100 to Relay Foods by posting a picture of you and your programmed thermostat on Facebook or Twitter. Tag @Flats130 and include the hashtag #setandforget.

**Forget it.**  
Once you have programmed your thermostat, the temperature will automatically adjust according to your scheduled settings. So sit back and enjoy your summer while the savings roll in!

Program your thermostat to be eligible to win a \$100 gift certificate to **relayfoods!**

## See you at Oktoberfest!

Mezzanine Level of Flats 130  
Thursday, Oct. 16: 6-8 PM

This Oktoberfest, EnergyVibe invites you to raise a pint and toast to greener living. The first 50 residents to take the Flats 130 Sustainability Pledge will bring home a free growler!

 [flats130.energyvibe.com](http://flats130.energyvibe.com)

Step 1: Use your phone to visit [flats130.energyvibe.com](http://flats130.energyvibe.com)

Step 2: Take the sustainability pledge

Step 3: Pick up your free Oktoberfest growler

Did you know we can help you program your thermostat for free?

It only takes 5 minutes to save energy automatically all year:

1. Use your phone to log in to [flats130.energyvibe.com](http://flats130.energyvibe.com)
2. Navigate to "Repair Requests" to schedule a time to have your thermostat programmed
3. Fill out the personal program schedule

Or, visit [flats130.energyvibe.com/energy](http://flats130.energyvibe.com/energy) for simple DIY instructions.

## Be Energy Efficient Residents
