On behalf of the Behavior, Energy and Climate Change (BECC) Conference, the co-convening organizations invite you to attend the conference taking place at the Hyatt Regency Hotel, November 2-5, 2025, in Sacramento, CA USA.

The Behavior, Energy & Climate Change (BECC) conference is the premier conference focused on understanding human behavior and decision making and using that knowledge to accelerate the transition to a low-carbon future. Since 2007, BECC has fostered understanding of individual and organizational behavior and decision making related to energy usage, greenhouse gas emissions, climate change, and sustainability.

In order to ensure your participation in this upcoming event, we suggest that you review the steps required for you to obtain the necessary documentation to travel to the United States. Should a new or updated Visa be required, please contact the U.S. Embassy or Consulate nearest you to request a current Visa to facilitate your travel to our event. The organizers have no influence over the issuance of a Visa therefore we suggest that you make your application as early as possible to avoid disappointment. To learn more, please visit the official U.S. Government website at <https://travel.state.gov/content/travel/en/us-visas.html>

The [Visa Waiver Program \(VWP\)](#) enables citizens of certain countries to travel to the United States for tourism or business for stays of 90 days or less without obtaining a Visa. Not all countries participate in the VWP. Some restrictions apply to this program.

It is the sole responsibility of the attendee to obtain the necessary paperwork for entry to the United States. This letter does not guarantee that you will be granted a visa, nor does it commit BECC to assist you in obtaining a visa. BECC will not pay any expenses incurred by you, to include travel and registration fees. We cannot send the letter to the embassy or consulate for you, nor can BECC contact the embassy or consulate on your behalf.

We look forward to welcoming you at BECC 2025.

Sincerely,

Reuven Sussman, Ph.D.
Co-Chair, Behavior Energy and Climate Change Conference
